April 25, 2025

Greetings,

The Wisconsin Department of Transportation (WisDOT) is writing to inform you of an upcoming construction project on County B between Chillie Road and Shimek Lane in Langlade County.

Project Overview

- This project will reconstruct the roadway with improved subgrade, base aggregate, and new asphalt pavement. Other project work includes widening shoulders and the replacement of all culvert pipes.

Overall Traffic Impacts

- County B will be closed to through traffic with a signed detour route.
- The detour will tentatively follow County I from US 45 to County V North back to County B. Local traffic will be maintained on County B.

Other Impacts

- Weekly garbage pick up is expected to remain as is with no changes anticipated.
- Mail delivery is expected to be adjusted. Specifically we anticipate relocating mailboxes to one location outside of the project limits during construction.

In This Together

WisDOT recognizes businesses located in work zones have special needs. It's critical that customers have access to businesses and that they continue to visit them, regardless of any road work inconvenience. WisDOT's In This Together program is offered to business and community leaders as an idea source as they plan for road construction in their area. More information is available at <https://wisconsindot.gov/together>.

Project Contacts

WisDOT Project Manager: Andrew Casper, (715) 365-5713
Project Engineer: Josh Palazzo, (715) 351-0505

Deaf, hard-of-hearing, deaf-blind, and speech-disabled persons should contact the Wisconsin Relay Service by dialing 711.

Sincerely,

Andrew Casper, P.E.
WisDOT Project Manager
