Neva Lake area has been without power since 5am power line snapped by tree limb up the roadBUT OUR LC HIGHWAY DEPARTMENT was out here about 7am they got the ice plowed, put sand down and another cut some trees to allow citizens to get out .. Shannon and I cut more trees for a few hours to make all passable ... now generator power until all is restored county government at its best

Again the county was out and touched spots BUT I CALLED BRIAN to get Borth Lake Road ... persons had called the sheriff's department I checked it out deep snow and trees blocking the road ... by the time I went to town for more gas ... Joe Tatro and crew cleared it all out ... resident I talked to when I also checked it out ... also helped ... glad this is not normal and certainly glad we have a highway department... thank you
