### **Electronic Disposal** *(posted April 24, 2025)*

A free electronic disposal event will be held on July 1st from noon - 4:00pm at the Langlade County fairgrounds. Dynamic Lifecycle Innovations is sponsoring this event to make it FREE to the community.

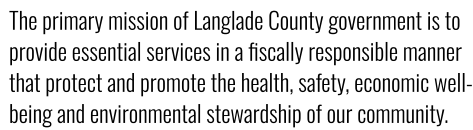

#### **Accepted items include (but not limited to):**

Computers  
Cables and cords  
Laptops  
Cell phones  
Refrigerant-containing appliances  
TVs  
Vaccuums  
and More

Please see the [flyer](#) for more details.

#### **Traffic:**

When you arrive at the event, enter the fairground from the Langlade County Fairground Pit Entrance on North Avenue. Follow the signs, cones, and barricades through the fairgrounds to the drop off site near the grandstands. The line is long and rolls through the fairgrounds to prevent the line from backing up onto any roads. Exit the event through Artic Street. View the map below to see the path.
