

Northwoods Gateway Aviation Airshow Summary

Saturday August 9th there will be an airshow promoted by Northwoods Gateway Aviation. Our goal with this airshow is two-fold. 1: To promote aviation in Langlade County and surrounding areas and 2: To invite people from the community to the airport and honor Langlade County Veterans.

Parking will open at 11am, Airshow Starts at 1:30 and should end around 3 p.m. We currently have 4 airshow performers with additional aircraft flying during the show. There will be static display aircraft for people to look at it, hopefully a Blackhawk helicopter from the WI Army National Guard.

Food vendors and drink sales, along with activities for kids. This is a first-time event for us, and we hope for good weather and a great turnout. We are getting sponsorships from local businesses to help cover costs and plan to donate as much of the ticket revenue as possible to Langlade County Veterans.

Any questions or comments on the event please contact Alan @ northwoodsgatewayaviation@gmail.com or O: 715-623-4525 C:920-229-9077.
